

Kim Hicks

I am a wife of 46 years with four children, eight grandchildren, and one great grand-daughter. I founded, directed, and taught at T.L.C. Nursery School while mothering my young family. I've taught children to love God and the gospel in many capacities throughout the years, which include: Sunday School of various ages, Religious Release Time, midweek boot camp for kids, Ruth's Heart (a preteen girl's club), and served as a Children's Pastor.

I have organized and facilitated women's bible studies, retreats, and weekly fellowships. My husband, Randy, and I hosted several couples & life group meetings and bible studies throughout the years. People are treasures to God, especially the young. Supporting and encouraging others in their life's journey fills me with joy. Helping individuals know how much God loves and values them and recognizing their potential does my heart good. Like they say, "We are all just walking each other home," and I love to go on walks!
